Dear Julio Camez:

Thank you for choosing Washington State Department of Agriculture (WSDA) as your organic input material review organization. We have received your registration renewal packet and look forward to working with you again this year.

Congratulations, based on our review of your renewal paperwork we have determined your operation continues to comply with WSDA and USDA organic regulations; no additional information is needed at this time. Please review the attached registration certificate and notify our office of any concerns.

Registered products are also included on the WSDA Organic Input Material List, which is posted on our website. The regularly updated list can be accessed online at <http://agr.wa.gov/FoodAnimal/Organic/MaterialsLists.aspx>.

If you have any concerns about this letter or the requirements for organic input material registration, please do not hesitate to contact our office. Our knowledgeable staff is here to assist you.

Sincerely,

Rachel Seman-Varner Ph.D.  
Organic Input Material Specialist
